TOPS (Transportation Options Program for Seniors) provides transportation to medical appointments and “quality of life trips” anywhere around town for older adults living in North Fulton. Wheelchair vehicles and one-on-one services are available upon request.

Transportation

For nearly 30 years Senior Services North Fulton has been at the forefront of efforts to eliminate senior hunger and provide additional care and support to the region’s growing population of older adults. Our agency is a resource for all senior-related needs in the community.

Our Programs & Services

Meals on Wheels

Our volunteers deliver nutritious meals Monday-Friday to the homes of older adults who have trouble preparing, accessing or affording food for themselves. Ask us about our Meals on Wheels for Pets program.

Care Management

Our care managers conduct in-home visits with our clients to evaluate their needs and determine appropriate services. Our goal is to help older adults live as independently as possible.

In-home services can include:
- Personal care - bathing, dressing, etc.
- Homemaker - light housekeeping
- Respite care - provides a break for primary caregivers

Senior Centers

Monday through Friday, our centers provide programs and services that enhance the health, happiness and well-being of those age 60+. A nutritious lunch is served and transportation is available to and from the centers daily. See the back for our 7 senior center locations.
